

Women in Modern Energy Cooking (WMEC)

Main Aim of the Community

A women driven approach for advancing gender equity in the clean cooking sector in India.

Objectives of the Community

Lend a voice and platform to Women in Clean Cooking to come together, engage, and develop a strong **Network**.

Enhance **Participation and Representation** of Women in Clean Cooking discussions and forums.

Increase Awareness about Clean Cooking solutions and impacts of traditional cooking solutions.

Enhance **Access to Finance** for Women in Clean Cooking.

Create **Opportunities for Women** in the Clean Cooking Sector.

Unlock the “**Knowledge of Cooking & Use of Energy**” to foster **Innovation and development of suitable solutions** for Clean Cooking.
